Sharing Our Faith

This week's One Heart Discussion focuses on sharing our faith with others. Paul prayed that Philemon would be active in sharing his faith so that he would have a full understanding of every good thing he had in Christ (Philemon v. 6). The goal of the discussion this week is to get each person to think about how God works in their lives and be able to share that. Hopefully, each person in your group will share some experiences in their lives when God helped them or worked through them.

Some examples of sharing faith in the New Testament that you might want to read is Paul (I Timothy 1:12-17; 2Corinthians 7:5-7).

Questions:

- 1. Why do you think using the words "luck" and "coincidence" hinders us from seeing God's work in our lives?**
- 2. Why do you think an important part of sharing our faith is noticing God's work in our lives and giving Him credit for it?**
- 3. Why do you think Paul said that sharing our faith would give us a full understanding of every good thing we have in Christ?**
- 4. What are some moments or situations that you noticed God moving in your life?**
- 5. Can you tell of some time(s) when God did something in your life that brought you closer to Him?**
- 6. If you had a Faith Box, what are a couple of items that you would put in it?**
