Mothers Day

Since this One Heart Night is on Mothers Day, it seems appropriate to focus on mothers for our discussion. The best way to prepare for this session will be to focus on passages that teach about mothers. A good passage to discuss is:

2 Timothy 1:5

You could ask your group why Paul notes that the faith that Timothy had in him originated in his mother Eunice and his grandmother Lois. Discuss this as an example of passing on our faith...

Discussion Questions...

1. Why do you think scripture places such a great emphasis on mothers?
2. Please share some stories of how your mother helped you form your faith in Christ.
3. As a mother, what are some challenges you have faced in passing on your faith to the next generation?
4. What are some challenges that families face today in passing on our faith?
5. Please share some stories of how God placed a person in your life as a second mom to help you. Away at college, moved to a new place, etc.
6. We all have difficulties at times with our moms. Please share a story of how you overcame a difficulty with your mom, and how it turned out.
7. What are some ways we can better show our mothers how much we appreciate them?
